MEMORANDUM FOR: Director of Public Affairs
FROM: Director of Central Intelligence
SUBJECT: Speeches/Unclassified Publications

We've put out a lot of interesting unclassified publications in the last couple of weeks: Soviet Agriculture, Chinese Economy, Soviet Defense Outlays, the Atlas on China. I would like to pull together all we've put out and have them available for the next round of speeches as some specific examples. They all seem to have hit the press lately and we ought to take advantage of this.
